Adobe Walls Hotel

Adobe Walls is nestled in the heart of Ajijic. Within its walls you will be transported back to an earlier era, a more genteel time, allowing you to slow down and relax. Enjoy the tranquil vistas of Lake Chapala, the breathtaking mountains, and listen for the click of horses' hooves on cobblestone streets. All 6 rooms have been lovingly restored and are decorated and furnished with the total comfort of guests in mind. Let Adobe Walls be your home away from home.

A BRIEF HISTORY OF LCS

In early 1955 a small group of foreign residents formed a society inviting all foreign residents of Chapala to join. "The Chapala Society", located in Chapala, was intended to benefit both foreign residents and the local community. During the first meeting of 21 attendees two committees were formed: "Mosquito Control" and "Information Service".

A Children's Reading Room (*biblioteca*) and a lending library for members were created in the first year, together with an information office. The following year English and art classes were added.

In the 60's, the headquarters was enlarged and weekly movies were shown to children. During the 70´s, the lending library moved to a new location adding "Talking Books" to the collection.

In 1983 Neill James agreed to rent the front portion of her property in Ajijic to the Society, where it remains to this day. She died in 1994 when she was almost 100 years old. The name was changed to The Lake Chapala Society (LCS).

Neill James

By the end of '91, the LCS charter was legalized, thus converting the society into a legitimate non-profit (A.C.).

During 1992, LCS established an administrative office with mail service to the U.S. A periodical library was set up and a formal Student Aid Program started.

A free blood pressure service was established and the first celebrations of Canada Day/Independence Day were hosted on the grounds. The U.S. Consulate began monthly visits.

In 1997 Ed Wilkes, a long-time resident with an interest in education, died leaving his house to LCS. Two years later the house was retrofitted and named the Wilkes Education Center (WEC). The Children's Reading Room and English language program were relocated and became the Biblioteca Publica. The Spanish Language Library expanded and a computer lab added.

In 2010 LCS hired an executive director and a new constitution was adopted by members.

Thousands of volunteers have brought the LCS to where it is today. The members of the LCS governing board are committed to making sure that LCS continues to adapt in order to serve the changing needs of all residents living at Lakeside.

Neill James *Biblioteca Publica de* Ajijic

The Neill James Biblioteca Publica, is a Spanish language library located at the Wilkes Education Center (WEC). It is the only Spanish language library in Ajijic and is open to all community members.

Neill James began the first library in Chapala and Ajijic. The *biblioteca* was a resource for the local community, especially the children. The *biblioteca* houses over 4,000 books and is staffed by a full-time librarian.

UNA BREVE HISTORIA DE LCS

En 1955 un pequeño grupo de residentes foráneos (21) formaron una sociedad. "The Chapala Society", ubicada en Chapala, tenía el propósito de beneficiar ambos residentes foráneos y la comunidad local. Durante la primera reunión, dos comités fueron formados: "Control de Mosquitos" y "Servicio de Información".

Ed Wilkes

Una sala de lectura para niños y una Biblioteca para socios fueron creadas en el primer año, junto con una oficina de información. El siguiente año, las clases de arte e inglés fueron añadidas.

En los sesentas, la sede se expandió y se comenzaron a proyectar películas para los niños semanalmente. Durante los setentas, la biblioteca cambió de ubicación y se añadieron los Talking Books a la colección.

En 1983, Neill James aceptó rentar el frente de su propiedad en Ajijic para LCS, donde se ha mantenido hasta la fecha. Falleció en 1994 cuando se acercaba a tener los 100 años de edad. El nombre fue cambiado a The Lake Chapala Society.

Para el final de 1991, la Carta de Derechos de LCS fue legalizada, convirtiendo así a la sociedad en una asociación civil.

Durante 1992, LCS estableció una oficina administrativa con servicio de correo a los Estados Unidos. Una librería periódica fue establecida y un programa de apoyo a los estudiantes comenzó.

Un servicio de toma de presión sanguínea fue establecido y las primeras celebraciones del Día de Canadá/Día de Independencia fueron festejadas en la sede. Comenzaron visitas mensuales del consulado de los Estados Unidos.

En 1997, Ed Wilkes, un antiguo residente con interés en la educación falleció, dejando su casa a LCS. Dos años después, la casa fue reconstruida y nombrada Wilkes Education Center (WEC). La sala de lectura para niños y el Programa de Inglés fueron reubicados, y ésta se convirtió en la Biblioteca Pública. La Biblioteca del Idioma Español se expandió y se agregó un laboratorio de cómputo.

Miles de voluntarios han llevado a LCS a donde se encuentra hoy en día. Los miembros del comité de governancia están comprometidos a asegurarse que LCS continúe adaptándose, para poder atender las cambiantes necesidades de los residentes viviendo en la ribera.

Hours: Saturday, 10:00 a.m. – 12:00 noon
Phone: (376) 766-1140
E-mail:childrensart@lakechapalasociety.com

In 1954, Neill James started the Children's Art Program, and it has helped thousands of Mexican children develop their creative talents, producing many well-known local artists and making Ajijic a center for art. The tradition of Ajijic as an art colony lives on through these children. Some of their parents attended the original program established by Neill James.

Free Art Classes for all Children
Sometimes over 80 children attend the program each Saturday rain or shine. The classes are free and open to all children aged 3 to 18. The program has flourished with the support of LCS and the many dedicated volunteers The Ajijic Society of the Arts (ASA) donates a portion of the proceeds from its annual Open Studios Tour to CAP.

The Business of Art
To teach the children about the business of art, their artwork is used to make greeting cards for all occasions. These are sold at LCS. Each child artist earns a portion of the sale. Some youth from the program have pursued formal art education with help from the LCS. Some have illustrated books, others have been commissioned to paint murals and unique artwork.

Summer Art Camp
Since 2013 CAP holds a week long Summer Art Camp at LCS, free to all children. Camp activities include: papel maché, jewelry, drawing, painting with acrylics, oils and watercolors, as well as a special workshop for children aged 5 and under. Annually the program attracts over 125 participants.

Children's Art Patio Mural
The renovated Children's Art Patio boasts a mural painted by Javier Zaragoza and Jesús López Vega, renowned artists and graduates of the program. They also volunteer every Saturday to teach the children. The mural celebrates six decades of the CAP. LCS gives special thanks to ASA for its contribution to this project.

Legacy Art Collection
In 2012, the Legacy Art Collection was placed in the care of LCS. This collection belongs to the people of Ajijic and dates back to the 1950's when Neill James started CAP. Almost 400 framed pieces have been catalogued in a database. The cataloguing of thousands more pieces of art continues.

RECOGNIZING A STROKE

Sometimes symptoms of a stroke are difficult to identify. Use the FAST chart below as an easy way to help recognize when someone may be having a stroke. The individual may suffer severe brain damage if stroke is not identified and properly treated within 3 hours.

A bystander can recognize a stroke by asking these three simple questions:

Face : Ask the individual to SMILE. Is one side of their face drooping?

Arms: Ask him or her to RAISE BOTH ARMS. Can they raise both arms equally?

Speech: Ask the person to TALK, to speak a simple sentence. Can they speak coherently?

Time: If he or she has trouble with any one of these tasks, call 911 immediately. Ask for someone to help you in English and describe the symptoms to the dispatcher.

RECONOCER UN DERRAME CEREBRAL

A menudo los síntomas de un derrame cerebral son difíciles de identificar. Usa la tabla que se presenta abajo para reconocer fácilmente cuando alguien puede estar sufriendo un derrame cerebral. El individuo puede sufrir severo daño cerebral si el derrame cerebral no es identificado y tratado apropiadamente durante las primeras 3 horas.

Un transeúnte puede reconocer un ataque haciendo estas tres simples preguntas:

Cara: Pídele a la persona que SONRÍA. ¿Algún costado de su sonrisa se ve caído?

Brazos: Pídele a la persona que LEVANTE AMBOS BRAZOS. ¿Puede alzar ambos brazos equitativamente?

Habla: Pídele a la persona que HABLE, que diga una oración simple. ¿Puede hablar coherentemente?

Tiempo: Si ella o él tiene problemas para realizar cualquiera de estas tareas, llama al 911 inmediatamente. Solicita ayuda si necesitas hablar inglés y describe los síntomas a la persona que te atienda la llamada.

Los Cantantes del Lago

COME SING WITH US!

Timothy G. Ruff Welch, Director

Los Cantantes del Lago

is a community choir situated just south of Guadalajara, on the shores of beautiful Lake Chapala, Mexico's largest lake. Los Cantantes truly represents the international nature of our community: choir members hail from Mexico, Canada, the USA, and several other countries. We perform a wide range of musical styles, from classical and sacred, to spirituals, popular and folk music. Los Cantantes del Lago performs two major concerts annually -- in December and the Spring. Other events are the ever popular bi-annual Showstoppers concerts, which feature individual members of the choir.

One of the choir's primary objectives is the support of young musicians. Whenever possible, Los Cantantes features local musicians in solo, vocal and instrumental capacities in its concerts, and performs the works of local composers.

MÚSICA PARA CRECER AC · Secretaría de Cultura · ECOS · OFIRC

The Lakeside Youth Philharmonic Orchestra (Orquesta Filarmónica Infantil de la Ribera de Chapala or OFIRC) is a music education program created by Musica Para Crecer AC.

The main aim of the program is to use music as a means of social improvement. OFIRC is a community educational project providing access to cultural activities for marginalized and low income members of society. OFIRC's goal is to ensure equal right of access to quality education for children who live in areas where a large percentage of the population lacks the basic necessities and are vulnerable to street risks. Among OFIRC's objectives is that of providing a unique educational experience through the participation of the children in the orchestra and choir. Not only does this offer musical training but it also encourages individual social responsibility, good values, improvement of learning skills, team players and good citizenship.

*Your donations are very welcome and they will be handle with transparency. We are authorized to give you tax deductible receipts in Mexico.
If you want a US tax deductible receipt you can make your donations with a check to Foundation for Lake Chapala Charities with a note saying the donation goes to Musica para Crecer AC.

Are you looking for a church home?

You'll receive a warm welcome every time you walk through our doors!

Lakeside Presbyterian Church is a Spirit-led, Christ-honoring church that is obedient to Scripture. We love, serve, evangelize, teach, and train people in and beyond our community. While we're Presbyterian in how we run and organize our church, we have people representing a wide variety of Christian denominations in our midst.

We are a vibrant part of the Lake Chapala community and offer opportunities to fellowship—including small community groups—as well as opportunities to serve:

- Cooking meals for hungry people in Mezcala
- Building a water treatment plant
- Computer classes for local students
- And more!
- Making breakfasts for students
- Children's clothing bank
- English classes

Our regular English-language worship service starts at 10 AM on Sunday.

Spanish-language worship is offered at 9 AM and Noon every Sunday.
